PROFILE

Graphic Designer with 6 years of experience across art direction, branding, visual identity, campaigns, and packaging. Develops creative concepts, key visuals, and cohesive brand systems across multiple touchpoints, combining strategic thinking with hands-on design execution.

EXPERIENCE

— GRAPHIC DESIGNER *Feb/2026 - Present*

Sadhu Group

Develop creative concepts and visual direction for campaigns, product launches, and brand communication. Create visual identities, key visuals, packaging, and rollouts across digital, e-commerce, and print.

— GRAPHIC DESIGNER *Feb/2025 - Feb/2026*

Agência Trêes

Developed visual identities, key visuals, and creative concepts for brands across different industries. Translated brand strategies into visual systems and campaigns across multiple channels. Created digital and social media rollouts while maintaining brand consistency.

— GRAPHIC DESIGNER *Jun/2024 - Nov/2024*

Meyer Publicidade

Developed print and digital assets for advertising, promotional, and environmental design projects. Integrated AI into visual research, image generation, and compositing workflows.

— GRAPHIC DESIGNER *Mar/2020 - Present*

Freelance

Develop brands, visual identities, and brand guidelines for different clients. Lead projects from briefing and concept development through applications and final delivery. Work directly with clients and present the rationale behind creative and visual decisions.
